

SP PLASTIC **SP-LINE**
 DGA SP Line plastic is one of two premium plastic blends from DGA. SP Line plastic will take a little longer to beat in than other DGA plastic blends.

DURABILITY 10 **GRIP 05**

PL PLASTIC **PROLINE**
 DGA ProLine plastic is one of two premium plastic blends from DGA. ProLine plastic is tough, tacky, and has incredible performance.

DURABILITY 09 **GRIP 07**

DL PLASTIC **D-LINE**
 DGA's economical plastic blend featuring superior tack and grip. Great for players of all skill levels.

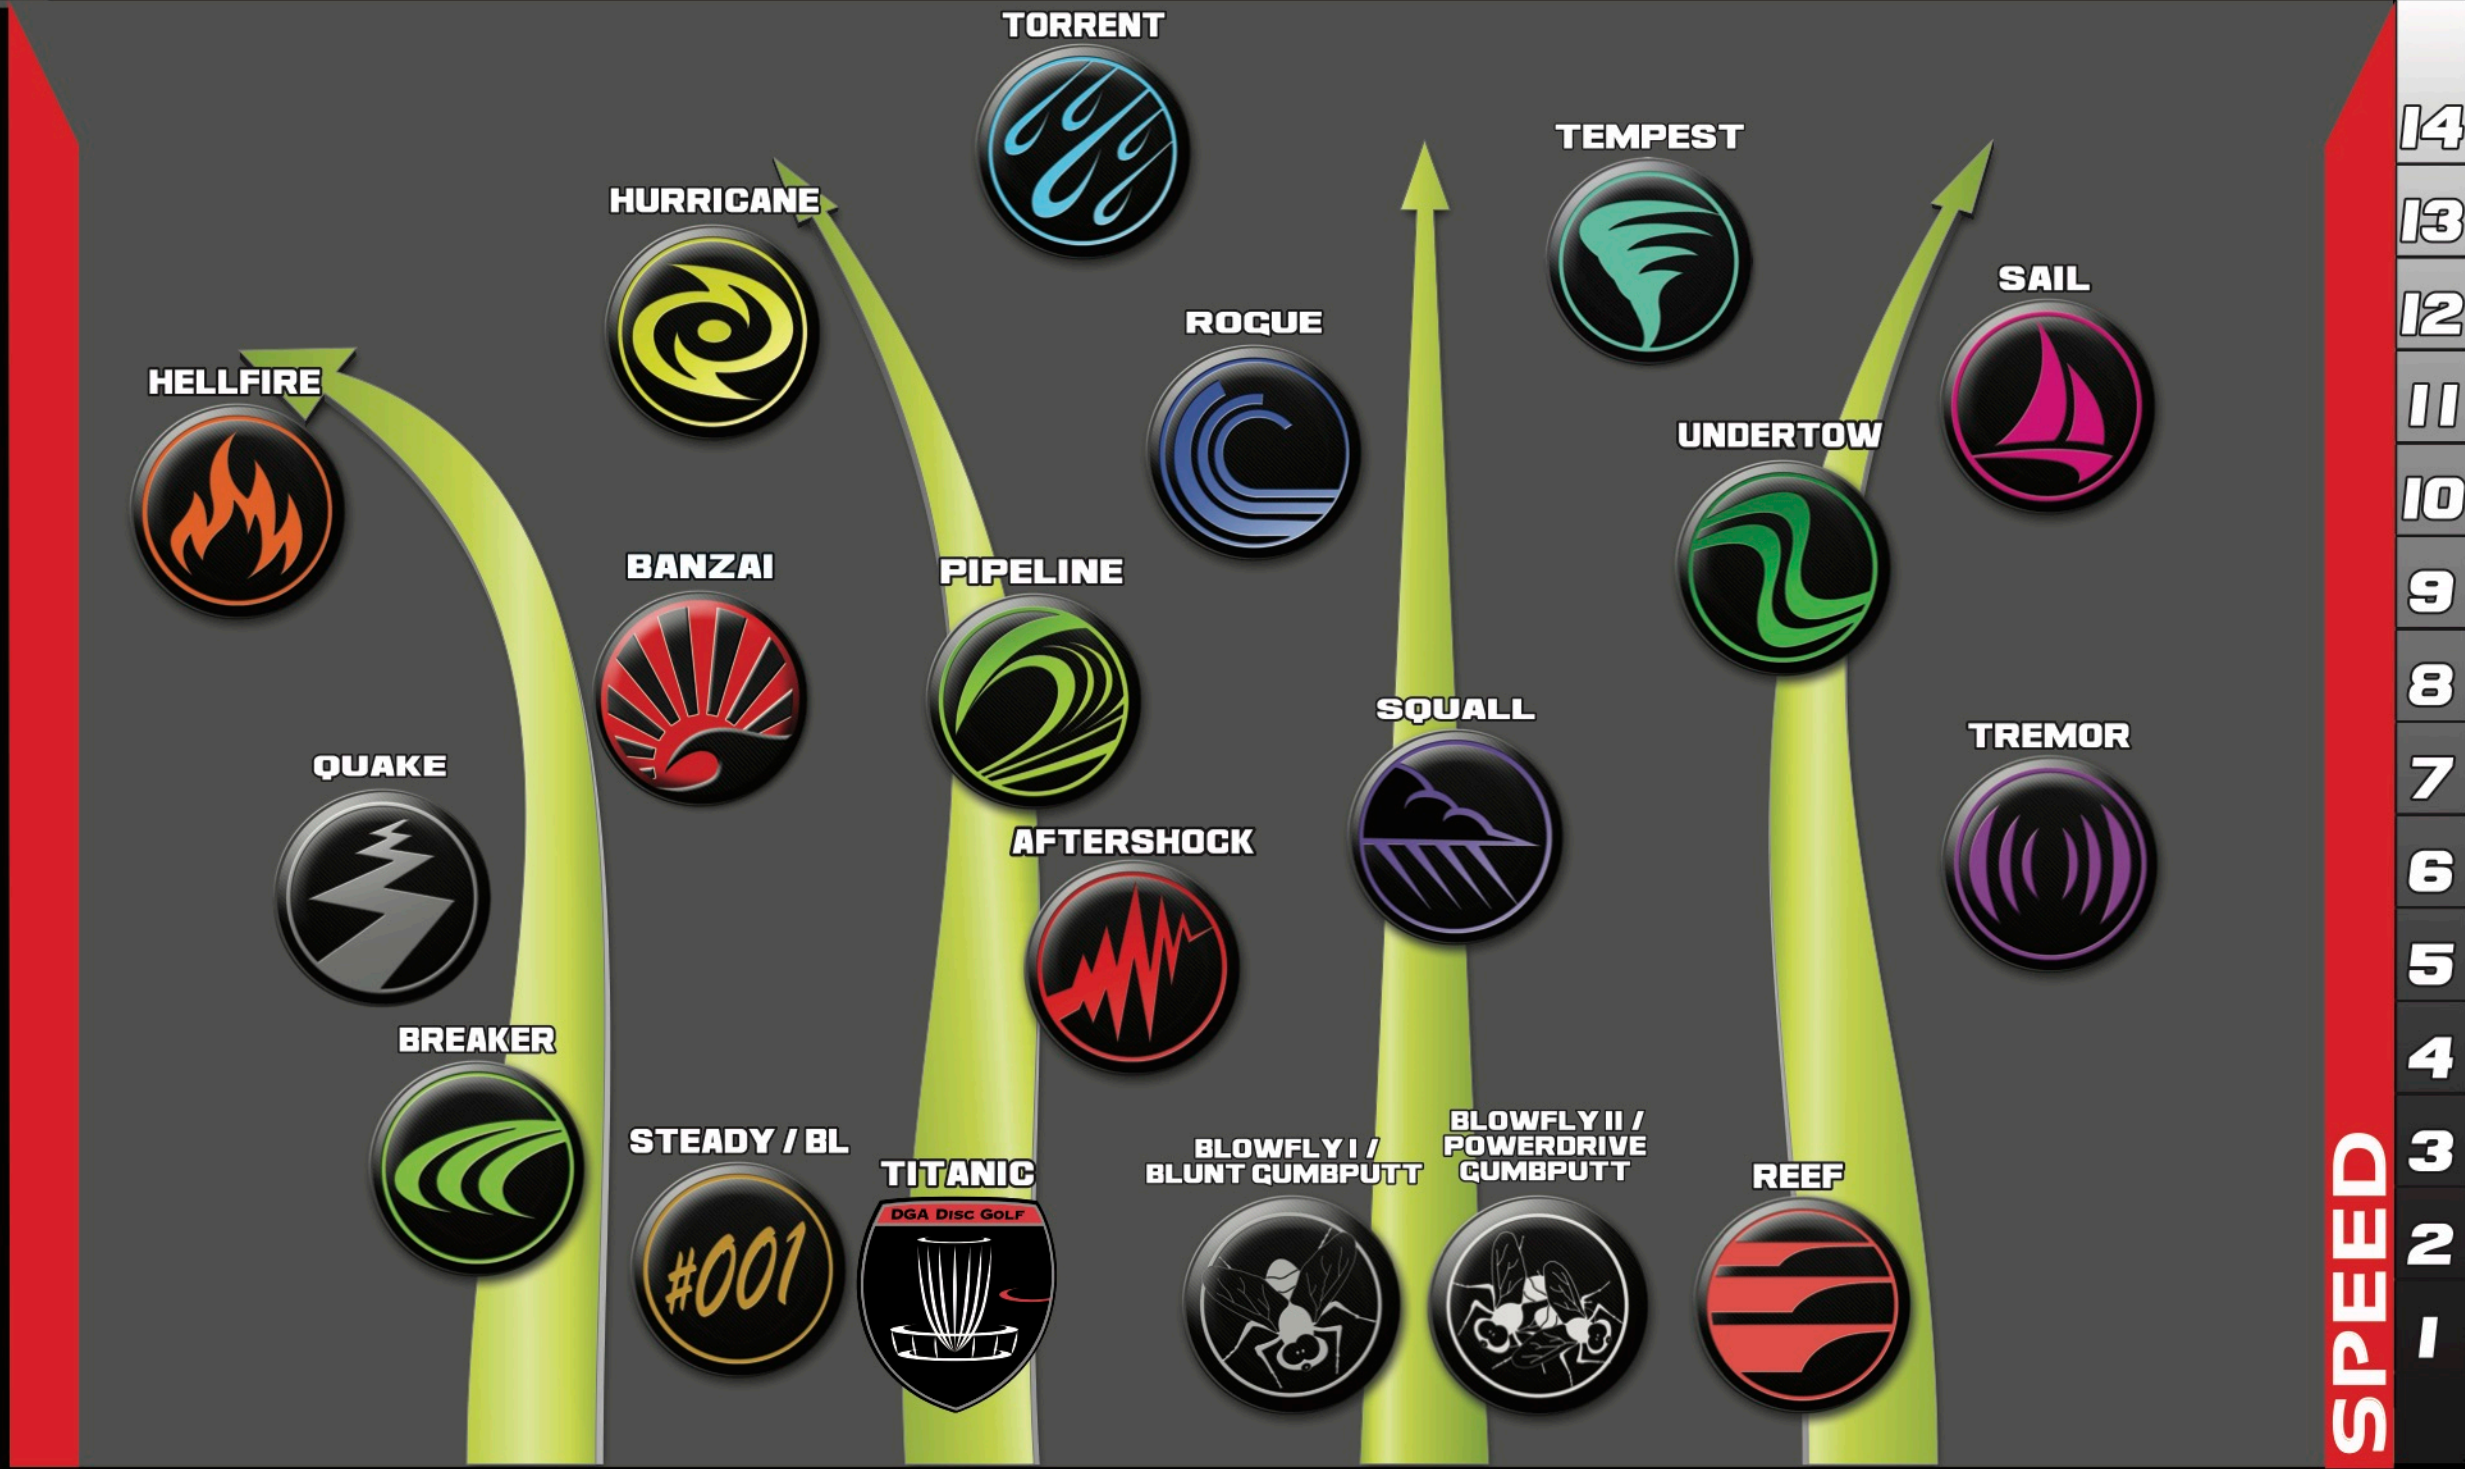

DURABILITY 05 **GRIP 08**

RD PLASTIC **RDGA LINE**
 150 Grams and extremely controllable. The lighter plastic blend makes RDGA discs ideal for new & intermediate players.

DURABILITY 05 **GRIP 08**

SL PLASTIC **SIGNATURE LINE**
 This one-of-a-kind rubbery plastic blend is not available through any other manufacturer. Ideal for rocky terrain, fast greens and playing catch.

DURABILITY 10 **GRIP 10**

BASED ON RIGHT HAND BACK HAND DISC THROWS (RHBH)
